**OFFICIAL RESOLUTION 2025/02**  
**DISCIPLINARY MEASURES AGAINST JUAN CARLOS**  
**‘GROUNDMAZTER’ IRIARTE GOYENECHÉ**

The **World Freestyle Football Association** (WFFA), through its **Sports Committee**, has carefully reviewed the evidence submitted by the **Asociación Colombiana de Freestyle Football** (AsoCol) regarding repeated harassment by **Mr Juan Carlos Iriarte Goyeneche**, known as GroundMazter, against several members of the Colombian and South American Freestyle Football communities.

Following a thorough evaluation, and in view of the ample and conclusive evidence provided—including grave and unjustifiable personal attacks and disqualifications directed at other members of the community—the Sports Committee has resolved that, under **Articles 1.1.1, 1.1.3, 2.5.2 and 2.5.3** of the Global Rules of Freestyle Football, Mr Iriarte Goyeneche shall be **permanently banned** from all official WFFA competitions worldwide.

This decision is based not only on the gravity of the conduct but also on the fact that it has led to a **judicial resolution** in Colombia, including a formal restraining order against Mr Iriarte Goyeneche.

In line with the WFFA disciplinary framework, **this resolution is final** and not subject to appeal. The Association will work in close cooperation with the AsoCol and the relevant authorities in Colombia and across South America to ensure the enforcement of this sanction.

The WFFA deeply regrets the need to impose sanctions of this nature. However, given its absolute commitment to upholding the principles of respect, integrity and fair play, the Association reaffirms that it will not tolerate harassment, intimidation or abusive behaviour of any kind and under any circumstances within the Freestyle Football community.
